WHAT IS ADVENTURE RACING?

Photographer: Aya Kubota

Photographer: Chris Radcliffe

Photographer: Wladimir Rogum

ADVENTURE RACING is the ultimate race of human endurance. Teams of four athletes race non stop, day and night, through courses up to 800km in length. Each course is a unique journey, including legs of mountain biking, trail running, kayaking and rope work. Teams must navigate using map and compass through remote wilderness checkpoints. They battle not only other teams, but extreme fatigue, sleep deprivation and unpredictable weather. If one team member quits, the entire team is unclassified. Often just reaching the finish line is a victory.

AR WORLD SERIES races are the pinnacle of all adventure races and are held across the far reaches of the globe.

“BACK TO NATURE”

No other race is remotely like **Raid in France**. The concept is simple: 4 racers completely immersed in the wilderness for 5 to 7 days - an adventure race in total autonomy. The route is uncovered in real time during the race.

Discovery, sharing, environmental protection, self-transcendence, effort, humility, courage, generosity and... high level sports: so many key words to qualify **Raid in France**. A unique expedition combining sport and adventure, with an invitation to dive into the wild. It's an authentic adventure: no GPS, basic maps... and an always crucial respect of nature!

500km Heartbeat of Africa

Expedition Africa originated in 2011 in the picturesque town of Hermanus, Western Cape. For the past 8 years this epic adventure experience has been criss-crossing the length and width of Southern Africa.

The animal splendour of the Sunshine Coast, the majestic Drakensberg, the spectacular Wild Coast, the natural beauty of the Garden Route, the remoteness of the Baviaans mountain range have all been the canvasses against which adventurers from all over the world have experienced so many diverse sights and sounds of Africa.

In 2015 the adventurers crossed international borders into the Kingdom of Swaziland, there; they once again displayed their indomitable spirit. 2018 we will experience the unique landscape of the Namaqua West Coast. The future plans of Expedition Africa will involve exploring several more diverse adventurous destinations in and out of Southern Africa.

Do join us for a complete experience, the warm hospitality and to share our love for adventure and all things naturally beautiful. Come let us make special memories together as part of the Adventure Racing Family.
