International Teams

Raid in France 2014 organizers want to make easier the visit and transportation of international teams. In order to do so, they have decided to offer a concept of race without team-assistance. It means that the organizers, themselves, will support material transfer during the race. With relation to transportation, we will offer a bus transfer between Montpellier Airport and race start (Le Puy-en-Velay), as well as between race finish (Le Grau-du-Roi) and Montpellier Airport. Respecting accommodation, negotiations are under discussion to offer accommodations at best prices. We are at your disposal for all logistical problems. Don't hesitate to contact us by email.
