HELLO RACERS + NEWSLETTER #01

Dear racers,

« *Raid in France is back for 2022: same places, same period!*
After having to cancel the 2020 and 2021 edition, the 11th Raid in France is now officially scheduled. It will take place at the end of June 2022 (22nd of June to 1st of July), just before the world championships of September, hosted in Paraguay. We are really looking forward seeing you again! »

Registration

Registration will open on the 1st of October 2021 at 12h00 (French time).

75 teams maximum will be able to register (on a first come, first served basis). The last 5 spots remain for the organisation and could be allocated based on the organisation own criteria (cf. registration conditions on Raid in France web site).

The registration form is available online www.raidinfrance.com/en/registration/ and must be emailed back to concurrent@raidinfrance.fr. It's ok if it is not completed entirely for starter.

A team already enrolled in 2021 will automatically be re-enrolled for 2022 if asked. To do so, you must send a confirmation email to concurrent@raidinfrance.fr before midnight on the 24th of September 2021. After this date, the spot will be considered as vacant.

On the 26 of September, the number of remaining spots will be announced on our website.
